Are these **YOUR problems** too?

Are you waiting eagerly to be level 50 to fully enjoy all the end-game content?

Do you use yourself having problems in leveling and questing fast?

Don't you know which stigma skills are worth using and why?

Your own PvP skills are in somehow ridiculous and you want to change this situation as soon as possible?

You might have these and other problems while playing your Aion character but this is no cause for concern. Because this is exactly the reason why this **aion guide** has been written. The Aion Strategy Guide is packed with information, strategies, tactics, tips and tricks that will make sure that you are always one step ahead of your opponents and don't limp behind them. This *aion guide* was written by an absolute insider who plays this MMORPG already since the early stages of development and who is well-versed in the depths of the game - whether alpha, beta, or test live server in Asia.

This aion guide uses absolutely 100% legal methods, and it does not use any exploits, cheats or hacks. In addition, you'll get free lifetime updates that will come when the game changes.
