Are these **YOUR problems** too?

You never have the chance to buy the best equipment for your character because you always don't have enough kinah?

You always lose valuable playtime because you die too often and this is only because you can't be the newest skills for your char?

You can never pay the Soul Healer fee after a death and so you are always losing experience points?

You can't push your favorite profession because you don't have enough kinah to do so?

It's so frustrated for you to play without the necessary kinah. But now this should be over. You found the most valuable place against all your kinah sorrows. If you want to make more kinah in the auction house, fulfill some quests for efficient kinah farming or grinding at the right spots - this is where this *aion kinah guide* will help you. You'll have much more fun playing Aion again. This is for sure!

The Best with this Aion Gold Guide is that all tactics and methods described are 100% legal. No Cheats, hacks or exploits are used. So, there's no risk for your account.
