DOFUS 2 Online Free 2 Play MMORPG

Another great free MMORPG is the game DOFUS from Ankama Games. It's a Massively Multiplayer Online Role-Playing Game (MMORPG) that has already seduced 20 million players (this number is from 06/2009) worldwide. DOFUS is offering a new concept in online gaming because of being half video game and half interactive cartoon with manga-inspired graphics. Additionally it offers you tactical gameplay and a really nice humour set which separates it from other MMORPG titles. Its unique combat system and strategy appeals to experienced players as well as casual players who will enjoy this game.

New Version DOFUS 2.0

DOFUS 2.0 has had a complete graphical overhaul, in the same vein as previous graphic updates, and become DOFUS 2.0. All characters are now bigger and much more detailed. More than 10,000 game maps have been redesigned, while still staying faithful to the originals. Almost 2,000 animations have also been reworked for the occasion.

DOFUS 2.0 Features:

- Beautiful and Huge 2D Maga Universe which is ruled by 12 gods and goddesses
- 12 Playable Character Classes
- Different Progressions to master
- Complex Guild System with a lot of interaction possibilities
- Numerous Quests and Battles
- Very nice Pet System
- Merchant System
- More than a persistent Universe - it's in perpetual evolution
- Great "Challenge" System
- A very special Hardcore Mode

Be a part of this great universe. To play DOFUS, you simply need to register completely for FREE by joining the link here on the site. After downloading the DOFUS client and the installation on your PC, you can start playing!
