Faxion Online Detailed Review and Description

Connect with the mystic strength of your soul or face your demons head on in this free to play MMORPG saga of good vs. evil. *Faxion Online* emerges beyond the classic depictions of role playing games. Gut clinching intuitive action reels you into a world of realistic battles.

Plotting virtue against corruption, it is a blind match of strengths as you prepare to confront the wages of Purgatory, also known as the capitol city of Limbo. Become a master of your judgment day and let your instincts carry you towards the pillars of heaven or submerge your conscience in the heated breaths of hell as they duke it out for control of the seven deadly sins.

Faxion Online introduces you to unique characters that are created through multiclassing. Multiclassing is a feature that enables you to select attributes from more than one class. One could compare it to cross-breeding. However with this role playing game there are no limitations on how you can create your character. With this system your enemies will never know what to expect from you. There are action trailers that feature each of the

classes so that you can wisely cross-select from another class. Fighter, Mage and Healer each hold a diverse set of characters.

All seven of the deadly sins are twisted into your voyage as you discover a new you.....in the afterlife. Within this realm, there is no concept of space or time only the casting of weapons against inner conflicts, fear and the unpredictable enemy. Faxion Online dares you to journey into the portals of your sins and challenge your soul in a never-ending war. Use your wings and in some instances, teleport yourself through the facets of the game. This is your chance to fly right or conform to the devilish ways you've suppressed for so long. Take advantage of the world map and the aerial view of the deadly sins.

Faxion Online is free to play yet you have an opportunity to add-on elements such as convenience and time via the TrueCoins shop. You can use coins to purchase weapons, armor, and supplies. It is structured for fairness, meaning you don't have to worry about players purchasing victories. There is an offline capability that ensures your characters growth when you are logged off the virtual world. This gaming system is designed to accommodate standard PC users. With a community that includes a forum, podcast, blog and more, communication and feature updates are top notch. Faxion Online is committed to making your experience a fulfilling and enjoyable one.
