For fans of [free MMORPG](#) fantasy games, **Shaiya** is a free-to-play game that you definitely don't want to overlook. Shrouded in fantasy and mystery, you can let your imagination run wild while conquering challenges.

Shaiya was announced Best Free MMORPG in 2008

Designed to be played in single player or collaborative gaming, this game will quickly have you absorbed in an ongoing war and battle between the forces of Light and Darkness. If you choose to play with others, you can work with others to create powerful guilds or alliances that can work together to track and conquer some of the biggest threats and monsters. With each successful challenge, you're awarded with powerful new weapons and protective armor that will help you become a dominant force in *Shaiya*.

Along the way as you're battling monsters, forming alliances and conquering challenges, the ever present threat of death is looming. In *Shaiya*, death means one thing – permanent death. That's right, your character cannot be resurrected. This makes the game all that more thrilling and places a great importance on building powerful guilds with others, all of you working together to tackle the monsters and keep death on the back burner.

Shaiya Features and Facts

This ultimate fantasy game has some cool features that will keep you coming back to play:

Combative Fighting Options: choose to fight against other players, giving you a chance to increase your ranking and move your way into the top of the faction hierarchy. Along the way collect stat bonuses, titles – all of this will help increase your ranking.

Multiple Modes of Play: whether you're new to gaming or a seasoned pro, you can still play *Shaiya*. With this game you can choose your own difficulty level and as you improve, upgrade your difficulty level. The harder the level of play, the more rewards you can collect. In Ultimate Mode, you are literally fighting for your life, in this mode – death is permanent.

Guilds: do what works best for you: create a guild, join a guild, threaten other guilds. It really is up to you. Within your guild you'll play with others to win prestigious rewards and along the way make some great real life friends.

This versatile and slightly addictive MMORPG game Shaiya gives you everything you want. Single player mode or multi-player mode. Multiple difficulty levels with death being the ultimate threat in Ultimate Mode. Battle with others to tackle fierce monsters and along the way work your way up to an elite ranking.

All this is done with the forces of Light and Darkness trying to reign supreme. Choose your side, build a powerful guild, select a powerful horse and get ready to take on all comers in [Shaiya](#).
